Where Children Matter Most!

The Onboarding Process:

- + Patient information is verified
- + Initial assessment within 24 hours
- + Meet and greets scheduled for nurses to meet with families to ensure the perfect fit
- + Plan of Care is sent to the physician
- + Authorization is obtained
- + Schedule created to meet family and nursing needs

You have the right to choose any company, so choose one who puts your family first!

- + On call 24/7
- + Nurse and family meet & greets
- + Clinical support
- + Online charting
- + Respiratory Therapist
- + Monthly schedules

We aim to make the transition to Private Duty Nursing as comfortable as possible for our patients and their families.

Insurance Partnerships:

We accept all MCOs and private insurance.

- + Blue Cross Blue Shield
- + Community First
- + CHIP + Traditional Medicaid
- + Molina
- + Superior Healthplan
- + TMHP
- + Texas Star Kids
- + TriCare
- + United Healthcare
- + And many more...

We are in-network with many insurers and also accept any insurance if there is a Medicaid secondary. Private payment options are also available. Please contact us to learn more.
